

COMPLEMENTARY CONSULTATION

- We start by crafting a Personal Care Plan that is tailored to your unique needs.
- Then we select and assign one of our trustworthy and dedicated Care Companions.
- Care Companions are bonded, insured, reference checked and must pass a national and statewide criminal history and sex offender registry background check.
- All staff pursue continuous professional development through ongoing care training.
- If your needs extend beyond our scope of practice, we offer qualified referrals and partnerships that are fully vetted to ensure you receive high quality, professional care.

**We honor God
by serving all people
with personalized care.**

In-home, Private Duty Personal Care

Our **in-home care companions** help you enjoy the gift of life to the fullest.

Independence with Dignity

Non-medical, Private Duty Care

Enjoy Independence with Dignity in your own home. You and your family can enjoy peace of mind knowing you are safe, happy and that your needs are being met by our trained care companions.

Service time can range from 2 hour to 24/7 care.

OUR IN-HOME, PRIVATE DUTY CARE INCLUDES:

Companionship Care

Enjoy a cup of coffee, play a game, go out on errands or share some of your most precious memories with your care companion. They will keep you company and become a friend to lift your spirit and share everyday moments.

Homemaking

A well-kept and clean home are important to you and when it becomes difficult to perform those tasks, Leaves is here for you. From cleaning to laundry, meal preparation to bedmaking, your care companion will help ensure your home is kept the way you like it.

Personal Care

Sometimes injury, illness or aging can make personal care a challenge. If help is needed with bathing, toileting or dressing, our care companions are trained to assist while ensuring your dignity.

Dementia Care

The Alzheimer's Association states that there are over six million Americans living with Alzheimer's. Leaves Personal Care is here to help navigate the challenges facing families and individuals who are experiencing memory changes whether associated with Alzheimer's, Parkinsons or other dementias. You will find that our experienced care companions provide compassionate support through your journey.

Hospice Support

Leaves Personal Care works with many Hospice providers to support families facing life-limiting diagnoses. We cherish the beauty of life and dignity of choosing your own path at the end of life. We honor the sacred moments where laughter and tears are shared, where words of comfort and reminiscence are spoken and we are there to supplement the services that Hospice provides.
